**New Business:**

- It was noted that the wrong color carpet was installed and the company who made the error is willing to give a discount to Faithbridge Church. Discussion was held regarding the warranty and durability of the installed carpet. Ray Morris answered questions and stated that the warranty will remain the same as contracted with the other carpet. He also told Session that this carpet is the exact same type, the only difference is the color is a blue and not a brown as chosen. The originally chosen carpet's total cost is \$6600.00. A down payment towards that amount has been paid at \$3300.00. Coker has offered to forgo the rest of the payment leaving the total cost of the current carpet to be \$3300.00. A motion was made by Ben Carter to take the gentleman's offer and be good stewards. Seconded by Betty Smith and approved by vote.
- Ray and Amy are to take care of the rest of the details with no end date stated.
